

SUPER CAMP

The YMCA of Klamath Falls Super Camp Program is for children entering 1st—6th grade. We offer a structured camp that allows you to choose what activities you want for your child at the price that is right for you. You choose what field trips you want for your child. For those campers who do not participate in the field trips, a full day of fun camp activities will be provided. These may include trips to local parks, crafts, or group games. This is our way to keep camp affordable and fun for everyone.
