THE YMCA OF KLAMATH FALLS WEIGHT LOSS AND LIFESTYLE PROGRAM

- Learn how to work out effectively
- Learn how to shop for the right foods
 - Learn how to eat healthy

YMCA Weight Loss and Lifestyle Program Guidelines

This free program is designed specifically for you to help you reach your health and fitness goals. You will learn how to work out and how to shop for and prepare the foods you need in order to live healthy.

The first step: You will sign up for an initial twelve (12) weeks of the program. It is free; however if you decide to quit prior to the end of the twelve week period, you will pay a cancellation fee of **\$49 for each of the remaining weeks.** (A debit/credit card must be on file at the YMCA for the duration of your program.)

Each week you will have to meet certain requirements. As long as you meet those requirements, the program is absolutely free.

What you get at no cost:

1. A body analysis when you start the program
2. After every 8 weeks in the program, you will get another body analysis.
3. A free personal training session to get your starting measurements and a step-by-step workout plan that is personalized for you.
4. A weekly 10-15 minute check-in session with the trainer to answer any questions you may have.
5. A nutrition plan designed specifically for your goals. You and the trainer will take a trip to the grocery store to help you learn how to shop smarter and healthier.

What you need to do:

1. Each week you will email a copy of your food log to the trainer. It must include at least 6 full days of food logging (3 meals + 1 snack = your minimum calorie goal).
2. You must do a total of 150 minutes of cardio workouts per week. Cardio exercise is anything that accelerates your heart rate, such as swimming, walking, biking, running, group fitness classes, etc. If you exercise outside the Y, you will need to use a tracking program such as mapmyfitness.com or any other trainer-approved program.
3. Each week you must do at least two strength-training workouts, which need to be logged in some form (online/phone/paper) that allows the trainer to track your progress.
4. You must meet with the trainer once a week for a quick accountability check-in.

So here's the catch...

This program is free **as long as you meet the weekly criteria.** However, there is a price tag attached to each missed activity, log, or meeting and your account will be charged accordingly. Here is a list of what it costs if you miss anything in your program:

- \$7 If you do not email your trainer a food log, or if it is incomplete (less than 6 full days of food logged). You may email food logs daily or all at the end of the week, but the trainer must have 6 full logs by midnight every Sunday night.
- \$15 Failure to complete at least 150 minutes of cardio workouts per week
- \$7 Failure to complete at least 2 strength training workouts per week
- \$10 Missing a weekly meeting with your trainer

NOTE: The program is open to both Y members and non-members. Non-members will need to purchase day passes or a punch card for access to the facility.
